amy's encounter with dinosaurs and cave dwellers and aliens was pretty wild now her quest to stop the spread of the infectious bacteria gets even more bizarre as she agrees to take another perilous voyage a voyage inside a plague ridden human body if amy survives being injected into this complex landscape where good cells are waging battle against bad cells she could save millions of lives but it's a do or die world in there

no one can identify the cause of the mysterious disease there's evidence that the bacteria infected human genes as much as a million years ago back in the prehistoric age back when dinosaurs roamed the land back when cavepeople communicated in grunts and gestures and the bacteria has been dormant until now amy's refined genes make her immune to this terrible plague but when someone close to her shows symptoms of the disease amy will do anything to help find a cure the only way traveling back to the time when it all began

only a hero who has fallen knows the strength required to rise again his love dead his people dying a massive army marching on the land he once called home drayvus varden banished elven knight turned infamous rogue is a beaten man as he drinks himself to death in the overcrowded refugee camp at gate town he meets former partner degan trailsop the half grumach warrior and the sword wielding sister of a former lover lewahna bladelock together they travel north through an oncoming army through the deadly lands of the plainsmen facing old enemies and making new unsteady alliances all with one goal the death of fayer the gray leader of the northern army the plague seed has been planted now fayer begins to reap what he has sewn bringing with him the plague war

a hero is built not born forged in the fires of chaotic happenstance and tempered by fear drayvus varden handsome elven scoundrel assassin and professional mischief maker falls victim to a perilous case of mistaken identity and is forced to take a job escorting katelyn shar the unfaithful wife of the regional governor to the place of drayvus birth the elven forest oldenhome with her husband's men giving chase drayvus katelyn and the drunken dwarven priest tahlkin bicker and snark their way south through the wild lands as an army gathers in the north set to begin a war that will change the face of talandria forever when drayvus discovers that katelyn is to play a part in the oncoming conflict he is forced to either become a hero or let all he has ever loved wither and die destroyed by the plague seed

come lucky april is set a hundred years on from plague 99 harry's great granddaughter is a girl called april who lives in an all female run vegan society which is carefully governed to eliminate risk of plague like situations men have shamed themselves and are no longer in power there's a primitive aspect to life as though the 21st century as we know it never happened at 12 boys are exiled for 5 years they went away as barbarians and came back civilised which means castrated homecoming is when they are welcomed back but how welcome are they we meet daniel a survivor of a patrician clan whose quest it is to find unclaimed parts of the outside world his great grandmother was fran and his great grandfather was shahid from the first part of the trilogy he wants to find the diary that fran left behind in her family home in croydon in the abandoned house girls and boy meet daniel and april don't at first realise they are connected by their distant ancestors friendship a potential romantic attachment forms between them his presence creates conflict but they take him into their community where the conflicts worsen daniel questions everything april has been brought up to believe he challenges the women's views and their rejection of the orthodoxy he knows he makes david a long term friend of april question what he has lost as a man an exciting novel rich in texture and passionate in its ideas

amy is going back to the place where she was born washington d c it's a class trip to take in the historic sights of the nation's capital sure amy's uneasy about traveling to the home turf of the people who funded project crescent the reason she's alive and is in constant fear of being captured but it's a chance to connect with her roots after all what could go wrong well amy's mother is a class chaperon and for her the trip stirs up memories memories of working in the top secret government program to develop clones memories of a loved one battling a rare genetic disorder memories of betrayal and a decision that would forever change her life and now the trip back to where it all began pits mother and daughter against an enemy both old and new

amy never knew whom mr devon worked for the organization that's after her or some other secret government agency all she knew was that he seemed to be her ally he always appeared just when she needed help or vital information but ever since mr devon's death amy has relied on her own smarts to survive and she'll need them more than ever now that a new substitute teacher at school has it in for her ms heartshorn has a reputation for being demanding she doesn't tolerate fools or careless work and her feedback can be well a little harsh amy hates her but when she learns why ms

heartshorn is really at school amy totally flips out

kalen and myrin find trouble in the lawless world of luskan in this fantasy adventure worth reading and rereading many times ed greenwood creator of the forgotten realms the city of luskan has always been a den of pirates thieves and murderers but lately things have gotten much worse a ship crashes offshore with nothing but corpses every day people go crazy and brutalize those around them and the only signs that even the most hardened criminals still walk the streets at night are bones luskan s sister city waterdeep has sent a detachment to quarantine the unclean city to let the filth within die rather than infect the rest of the realms but wizard myrin darkdance has slipped inside declaring that she will save luskan kalen shadowbane dren follows determined to save myrin and therefore her pet city even if he has to kill every rat in luskan to do it this expanded ebook also includes a brand new short story entitled a new purpose as well as links to an existing prequel and an original e novella featuring characters from shadowbane also included are links to background information on the abyssal plague series and sample chapters from other books in the series

read the exclusive tell all about human clones in our midst amy knows better than to believe a tabloid newspaper s far fetched headlines but when one of these rags begins a series of reports on the existence of human clones and their desire to create a master race amy takes notice this is definitely not just another sensational story even if others think so but what is truth and what is fiction it s a case of mistaken identity it s a case of misplaced loyalties it s a case of multiple betrayals and amy quickly finds herself in the middle of a bitter and ugly struggle for dominance

following directly in the wake of the temple of yellow skulls our heroes face the totality of the destructive and pestilent forces presented by the abyssal plague the disease of the liquid crystal voidharrow spreads throughout the land transforming unsuspecting creatures into plague demons shara uldane and the unlikely drow hero valmaggar join forces with tempest and rothgar from the mark of nerath and together they set out in search of the green dragon vestapalk or the creature vestapalk has become the patient zero of this abyssal plague meanwhile albanon and the mysterious cleric kri redshal the last remaining member of the order of vigilance an order dedicated to guarding the voidharrow go in search of answers to the disease that sweeps the land while their search takes them deep into the heart of the darkness that is enveloping the land the answers they find are truly in need of new questions as they become aware of the true scale of the tragedy at hand they see the forces behind them are more powerful than they had ever dreamed and perhaps more seductive

the red plague has devastated the human race turning billions of people into zombies with red eyes and an insatiable hunger for human flesh the only known cure to the 212r virus is locked inside of ben sawyer to get it out seventeen year old maya solomon and a group of survivors will take him on a journey to what may be the last bastion of human civilization camp carson virginia
